Superintendent's Report

please call or send me an e-mail and I will order a shirt for you.

Hopefully everyone had a great Christmas and a fun New Year's Eve.

I hope everyone had a great time at the Associated Model Railroad Engineers of Coshocton (A.M.R.E.C.) or Coshocton Club. The weather was great and the layout well worth seeing. The Club has made a lot of progress since we were last there. Thanks guys for hosting the meeting.

Our next Division meeting is at the Columbus Model Railroad Club on the 31st of January. This has always been a popular meeting and I am looking forward to seeing a great turnout.

The model contest is Weathered Railroad Bridge (not a trestle) and the photo contest is Train crossing a bridge. Please remember that both

categories must be items that you have completed and pictures that you have taken.

We currently have Division shirts available. They are golf shirts in 100% pima cotton with an embroidered logo on the left of the chest. The colors are red, white, gray or black and they come in Small through 3XLarge. We also have a lady's polo complete with a collar and v-neck. If anyone is interested, they are \$15.00 apiece. If not attending the meeting,

**Remember to VOTE for
Division 6 Officers by
31 March**

The 2010 election ballot is in this issue. Being an even year, we are electing the Superintendent, Assistant Superintendent, Clerk and Paymaster. Since the by-laws were changed in November, we are electing a Clerk and Paymaster as separate offices. Also, in order to keep an odd number of members on the Board, we increased the size of the Board from five to seven members. This involves adding another Director (Trustee name change to adhere to

Ohio law) to the Board.

The Directors are normally elected in the odd years. However, we are electing an additional Director for a special one-year term. This Director will serve for one

year, with a potential to be re-elected in 2011. All candidates must have a current membership card.

Please bring your ballot and turn it in at the meeting or mail to the address on the ballot. All mailed ballots must be postmarked by 3/31/2010.

See you at the Columbus Club on the 31st of January!!!!

Thanks -

Division Six Officer Candidate Biographies

This is the Division Six Election of Officers issue of *The Super's Signal*. All Division Six Officers serve for a two year term beginning with the close of the Mid-Central Region's Spring Convention. The following contains a short biography for each of the people running for each office.

Division 6 Superintendent:

Robert E. Lee

This is my request to all of you to consider electing me to the office of Superintendent of Division 6, Mid Central Region, National Model Railroad Association. I am currently your Assistant Superintendent for the past (2) two years. I have been a member of the NMRA for over 40 years, with a break in between. I came here from Division 1 in Warren, Ohio. As an active member of the Sebring Model Railroading Club and now a member of the Columbus Model Railroading Club, I have been nurtured in the hobby.

I am retired from General Motors and the United States Air Force. In both I attained and held the position of superintendent of my department and squadron. I feel that I can fill the requirements of this office adequately.

I believe I have a keen sense for organization, and a record among my peers, of following through on projects to their successful completion. I consider myself an action oriented individual and will employ my listening, writing and leadership skills to respond to specific needs of the Division. I will in turn, advance those membership ideas to improve the overall organizational structure.

An important component of our group dynamic is that we as an organization continue the relentless pursuit of perseverance in the hobby of Model Railroading for future generations.

I consider it an honor and a joy to give something back to an organization that has given me so much. As an officer I will represent you to the best of my ability and continue to promote the great legacy, that is the NMRA, to members and non members alike.

Division 6 Assistant Superintendent:

Craig Sonnen, MMR 323

I have been a model railroader since Christmas, 1953, when I received a Marx Passenger Train on a layout board (loop with a figure 8). I have been in the hobby off and on since then, more on than off. I am an N Scale model railroader who enjoys seeing any scale railroad. I currently have 3 layouts at my home. Mason's Creek, 2 1/2 x 4, based upon the 2002 GMR's "A small slice of the Pennsy." Harper's Valley based upon MR's Carolina Central but increased in size to 3 1/2 x 8 with Kato unitrack. I also have a T-trak layout on a 30 x 80 door. I am a life member of the NMRA. As your assistant superintendent, I will work to increase the participation of members in the division. Thank you for your vote.

As announced at the 22 November Division Six Meeting, the office of Chief Paymaster has divided into two new offices; Clerk and Paymaster. The Clerk is responsible for keeping the official record of all Division Meetings, Steering Committee Meetings, and all Special Meetings as called for by The Division Six Superintendent. The Paymaster is responsible for keeping the official record of all Division Six financial transactions.

Division 6 Clerk:

Kenneth Miesse

I am a Lifetime Member of the *NMRA* and have been active for about 25 years. I have served on many committees over the years, working as 'HO' module chairman, as well as Train Show, Regional and National Convention committees. I have also held the office of Assistant Superintendent of Division 6.

I am seeking the office of Clerk for Division 6 at this time. I believe that the split in duties and separation of the Chief Clerk's office is long overdue and will be a great benefit to the Division. The Division needs to move forward at this time and find a way to keep all of our members supplied with the information needed to keep it strong in the future.

The officers of the division can only do so much. They can do more if the members help out and offer their support when needed. The biggest support comes when members offer suggestions and ideas on what they would like to see for future meetings and activities.

Robert M. (Bob) Bowditch

I am very active in the local model railroad community for years. I have been a member of the Columbus Model Railroad Club since 1986 and hold the position of trustee. I am also an active member of the *NMRA*. I am semi-retired after over 30 years in the wine, beer and spirits industry. I have recently founded an internet based model railroad supplies retail operation.

I am running for the position of division clerk. I am looking forward to serving the division in this capacity. My past experience in business reporting will be a great asset to the division.

I have been a model railroader since the age of 3. My father had a huge Lionel layout in the basement and he started me on this wonderful hobby. I have enjoyed the model railroad community and want to be more active in the division. Now that my business travel days are over (I used to travel up to 46 weeks a year!), I am able and willing to spend more time dedicated to model railroading. I am currently building a layout in my dream basement. I have started the framework and have over 16 feet ready to go. Phase 1 will be around 35 feet and operational by late spring of 2010.

I am looking forward to serve the division and to make new friends and to reconnect with friends from the past.

Division 6 Paymaster:

John Gaffney

Members of NMRA Division 6, my name is John Gaffney and I am running for the position of the newly formed position of Paymaster for the Division. For the past 4 years I have been your Chief Clerk and have been active in all facets of running your Division. If elected I would provide you the members and the board financial data to help the board provide you the members future events and projects.

My background for being the paymaster is 4 years as paymaster for the Central Ohio "S" Gaugers and the past 4 years as Chief Clerk of Division Six. I am currently building as S layout and hope to have it up and running by mid 2010. Thank You.

Richard (Rich) Hartley

I have been active in the division now for 3 years. I work as a locomotive engineer for a class 1 railroad here in Columbus. I have held the office of Vice-president for a national wargaming society (North American Society of Ancient and Medieval Wargamers) and served as the National Umpire and Regional Co-coordinator for several years for NASMW. I feel the organizational skills that I acquired while holding these positions, will serve me well as Paymaster for the Division. Thank you for your consideration.

The position of Division Six Trustee has been renamed Division Six Director to comply with Ohio State Law. The number of Directors has been increased from two Directors to three Directors to retain an odd number of persons on the Board. Directors normally serve for a term of two years, elections on odd years, but the following candidates will serve a one year term.

Division 6 Directors: (one year term)

Ned Harlow

Retired US Air Force (20 yrs), 61 years old, NMRA member off and on since 1977, member of Columbus Model Railroad Club since 1976, models Norfolk and Western steam era, has a home layout of approximately 2000 square feet, interested in running for Director in Div 6, hoping to help the Division be as good as it can be.

Don Wilke

My first layout was an HO 4 x 6 in the early 60's. Son of a Division 4 O-Scaler, it was too dangerous to think of Lionel. I was active in Division Six in the early 70's and became an NMRA life member in the mid-70's. Family responsibilities caused my absence from the Division activities starting in the mid-80's. I became reactive in the Division about five years ago. Since I became Division Six WEB Master in 2007, I have attended almost every Division Meeting, Division Six Steering Committee Meeting, and 2009 MCR Convention Meeting.

I have built five layouts to various stages of completions over the years. My current plan calls for a double-layer, folded dog-bone which I will start on someday. A retired Science teacher, 35-years in the same building, I've been working behind the scenes for both Division Six and The Mid-Central Region.

January 2010 AP Report

**By: Howard
R. Smith,
MMR**

William Connell has completed the AP Program Certificate for Chief Dispatcher. This is Bill's second AP certificate. After reviewing Bill's completed forms, I must say that Bill's paperwork is some of the best work I have seen for this certificate. I have been notified that his Chief Dispatcher AP Certificate has been approved.

In addition, I have submitted two Structures Merit Awards for John Retterer. We judged these structures at a Division meeting. We are always willing to and ready to judge at any Division meeting. Hopefully we will have Certificates to award at the January Division Meeting.

The Board of Directors shall consist of the elected officers and three elected Directors. All members of the Board of Directors shall be considered for quorum purposes and each member shall have one vote.

Section 2. The Directors are specifically authorized to appoint a Deputy Clerk to assist the Clerk. The Directors may also appoint a Deputy Paymaster to assist the Paymaster. However, any such Deputy Paymaster shall not have signature authority on any bank account or investment of the corporation unless bonded in like manner as any other officer who has such authority.

Section 3. There shall be three directors elected.

Section 4. The Officers shall be elected by the membership as set forth in Article X, Nominations, Ballots & Voting. All officers shall be, and remain, members in good standing of the National Model Railroad Association and a resident of the Division during their respective terms of office.

Section 5. Incoming officers and directors will take office at the end of the Annual meeting of the Mid-Central Region (Banquet Meeting) Spring Convention.

ARTICLE IV. MEMBERSHIP AND DUES

Section 1. Any member in good standing of the National Model Railroad Association, residing within the territorial boundaries of this Division as established by the Mid-Central Region of the National Model Railroad Association, shall automatically be considered a member of this Division. No additional payment of dues shall be required beyond the dues as established by the NMRA and paid to the NMRA.

Section 2. "VOTING MEMBERS". At any special or regular meeting, those members who fall within the classes of membership of the National Model Railroad Association allowed to vote at national and regional elections shall be entitled to vote on matters brought before the division meeting.

ARTICLE V. RESERVED

ARTICLE VI. RESERVED

ARTICLE VII. COMMITTEES

Section 1. The Board of Directors shall establish such standing or special committees as it deems necessary to promote the purposes and carry on the activities of the corporation. The standing committees shall consist of, but not be limited to: achievement program, contests, train show, modular railroads, new member/membership, program, web master, and publications.

Section 2. The Publications Committee shall be responsible for publication of the SUPER'S SIGNAL in a format and size as specified by the Board of Directors in consultation with the Editor. There shall be a minimum of four issues of the SUPER'S SIGNAL in any calendar year. The first issue of the SUPER'S SIGNAL issued in any calendar shall include a timetable of division meetings and contests for the forth coming year.

A. Division 6, MCR, NMRA, Inc., shall have an official bulletin called the SUPER'S SIGNAL for official notices, news and notices of interest to the members.

B. Meeting notices and proposals sent by mail in the SUPER'S SIGNAL or by separate letter from the Clerk, to members shall be sent to the latest address provided the Division by the NMRA for the members resident in the division, no less than thirty (30) days before the last date for returning a ballot, or before a meeting shall be considered sufficient notice.

Section 3. The chairman and all members of standing committees shall be appointed by the Superintendent, subject to confirmation by the Board of Directors. All activities of standing or special committees shall be subject to approval of the Board of Directors.

Section 4. There shall be a Steering Committee consisting of the members of the Board of Directors, chairman of all standing and special committees, and any other members as appointed by the Superintendent and/or Board of Directors. The purpose of the steering committee is to serve in an advisory capacity to the Board of Directors for the discussion of ideas and development of policies for the Division. A representative from each of the Model Railroad Clubs within the boundaries of Division 6, MCR, shall be able to attend the steering committee meetings.

ARTICLE VIII. RESERVED

ARTICLE IX. MEETINGS

Section 1. The Annual Division Meeting of the membership shall be held at the first meeting in the second quarter of each year, at such time and place as determined by the Board of Directors. The purpose of said Annual Meeting shall be to transact such business as may properly come before the meeting.

Section 2. Special meetings may be called by the Superintendent at his own request, at the request of at least ten (10) members or at the direction of the Board of Directors. Special meetings shall be held at such time and place as directed by the Board of Directors, but not more than sixty (60) days after proper request therefore has been made. At any such special meeting, only such business as has been set forth in the notice of meeting shall be conducted.

Section 3. The voting members present in person at any Annual or Special Meeting of the membership shall constitute a quorum for the transaction of business.

ARTICLE X. NOMINATIONS, BALLOTS AND VOTING

Section 1. The Division Nominating Committee shall be composed of a chairman and at least two (2) other members appointed by the Superintendent. No current officer or director shall serve on the Nominating Committee. Members of the Nominating Committee may not nominate themselves for any office. The chairman of the Nominating Committee shall deliver his report of the nominations to the Clerk not later than fourteen (14) days after the November Division Meeting.

Section 2. Officers shall be elected in the even numbered years for a two (2) year term. Directors shall be elected in the odd numbered years for a two (2) year term. Officers are bound by a two consecutive term limitation. Directors have no term limits.

Section 3. Nominations for officer or director may also be made by petition, signed by the candidate, and delivered to the Chairman of the Nominating Committee, or in his absence to the Superintendent, signed by ten (10) members of the division at or prior to the November Division Meeting. The signatures must be legible and the member's NMRA membership number and expiration date must appear with the signature. The petition shall state what office the candidate is seeking nomination. No candidate can be nominated for more than one office in any election.

Section 4. Election of all officers and directors shall be by mail-in ballot, which will be included in the January issue of the SUPER'S SIGNAL. The Clerk shall prepare a ballot for inclusion in the newsletter to each member of the division who is listed on the Division 6, Mid-Central Region, most current membership list from the NMRA prior to the mailing date of the January issue of the SUPER'S SIGNAL.

Section 5. Ballots shall be delivered to the Inspector of Elections or sent to his address by letter postmarked no later than March 31 of the year of the election. The name of the Inspector of Elections and his address shall be included on the ballot form. The only address to which a ballot can be mailed is the Inspector of Elections. The use of any other address will result in the ballot sent to the other address being declared null and void.

Section 6. The Superintendent shall select one or more persons who are not officers or directors to act as the Inspector of Elections, this person can also be the Chairman of the Nominating Committee, to receive, count and tabulate the ballots. The Inspector of Elections shall report the results of the election to the officers of the Division and to all nominees prior to the Annual Meeting. The results are to be announced by the Clerk at the annual meeting.

ARTICLE XI. AMENDMENTS

Section 1. A proposal to amend the Regulations may be initiated by a two-thirds majority vote of the Directors, or by petition to the Clerk not less than sixty (60) days before a regular meeting signed by thirty (30) members, not more than ten (10) of whom are from any one county. After publication of the proposal, a membership meeting motion requiring a two-thirds majority vote for approval may be made instructing the Clerk to prepare a mail ballot for resolution of the issue before the next regular meeting. The Directors may authorize early balloting if the issue is urgent. A two-thirds majority of the mail ballots received is required for approval.

Section 2. The Regulations of Division 6, Mid-Central Region, N.M.R.A., Inc., may be amended by a two-thirds majority of either the Directors, or of the members present at a regular meeting or a special meeting called for the purpose of amending the Regulations.

ARTICLE XII. INITIATIVE AND REFERENDUM

Section 1. Recall of any officer for misfeasance, malfeasance, or nonfeasance may be initiated by a petition to any officer signed by thirty (30) members. A two-thirds majority vote of members at any regular meeting shall be required for approval.

Section 2. The members of Division 6 shall have the right by petition to have any action taken by the Division 6 Board of Directors or any propositions submitted to the membership for a vote at any regularly scheduled election.

Section 3. Each petition shall contain the exact wording of the action of the Board of Directors or the proposition to be voted upon and shall contain the signatures of not less than thirty (30) voting members of the Division.

Section 4. Any such petition for any action taken by the Board of Directors or on any proposition shall be submitted to the Division Election Chairman not less than 90 days prior to the date of the election.

Section 5. A two-thirds majority of the votes received on such actions or propositions shall adopt such actions or propositions.

ARTICLE XIII. RESERVED

ARTICLE XIV. RESERVED

ARTICLE XV. DISSOLUTION

In the event of the dissolution of the Division by action of its members or by action by the Mid-Central Region Board of Directors or by the NMRA, Inc., Board of Directors, the entire assets of the Division shall be transferred first to the Mid-Central Region and if and only if the Mid-Central Region is no longer in existence, the NMRA, Inc.

IN WITNESS WHEREOF, the foregoing Regulations were duly adopted by the Board of Directors of Division 6 at a regular Board meeting by an unanimous vote on the 11th day of November, 2009.

I received a good response from the membership concerning the mailing of *The Super's Signal* by snail mail or the electronic version.

However the response does not match the number of members we have in the division. So here is your second, and last chance to get it right. *The Super's Signal Request Form* will be in this issue again. This will be your last notification of the change and your last time to respond.
